Professional Development Opportunities

GFOA Alberta partners with companies that serve our members with a range of services and resources to support success.

GFOA Alberta has **1144** public sector **members** including in Manitoba. Our membership ranges from CAOs, CFOs to clerical staff.

Our mission is to inspire and promote excellence in municipal financial management by facilitating professional development and networking, and by providing guidance on emerging financial issues, for the benefit of our members and their organizations.

GFOA Alberta is proud to collaborate with esteemed organizations such as the Government Finance Officers Association (GFOA) of the US and Canada, headquartered in Chicago, and the Municipal Finance Officers' Association of Ontario (MFOA). These partnerships strengthen our commitment to providing public finance professionals with unparalleled access to industry insights, resources, and networking opportunities on a national and international level.

“ Webinar Client Testimonial

I was very impressed with the Metrix Webinar on New Accounting Standards. Although PSAB standards are somewhat technical and uninteresting, Stephanie has a way of explaining things that not only make it easy to understand, but that help you to ascertain what is relevant for your municipality. I will definitely take part in future webinars as this is a great way to earn professional development credits.
